2026 EDITION

ABOUT K12 ACADEMICS

The world's largest education resource.

Online since 2004, K12 Academics has helped millions of families, students and educators **find the right school, college, camp, business and program in their community** — for every kind of learner.

DRAMATIC NATURE AND ENGLISH-FRIENDLY STUDY

Iceland is a small but spectacular Nordic study-abroad destination — dramatic volcanic landscapes, respected universities, English-friendly programs, and a very high cost of living. This guide is for students planning a **semester or year abroad**: it covers **program types, credit transfer, costs, and the student visa**, and points you to the K12 Academics directory to find and compare programs.

General guidance, not legal, immigration, academic, or financial advice. Icelandic rules, fees, and program details change and vary by institution. The details here are recent examples and **must be confirmed with your home study-abroad office, the host institution or provider, and the relevant consulate**. K12 Academics does not run or endorse any specific program — use the K12 Academics directory to find and compare your options.

1

STEP 01 OF 10

Understand Why Students Choose Iceland

WHAT TO KNOW

Iceland offers **otherworldly volcanic landscapes, respected universities, English-friendly programs, and a safe, close-knit society** — one of the most rewarding places to spend a semester or year abroad.

BY THE NUMBERS

Volcanic	Respected	Safe
landscapes	universities	& close-knit

HOW TO HELP

Weigh Iceland—s **affordability and rising quality** against a very small, high-cost academic market — for dramatic nature and a safe, English-friendly experience, it—s a strong choice.

WATCH OUT

Iceland offers **respected study amid otherworldly landscapes** — small, safe, and English-friendly.

2 STEP 02 OF 10

Understand the Types of Study Abroad Programs

WHAT TO KNOW

Your main options: **direct enrollment** (you enroll at a local university — the most immersive), **exchange** (through your home university—s partnership — you pay home tuition), **third-party provider programs** (which bundle courses, housing, and support — the most guided), and **faculty-led short programs** (a few weeks with your own professors). Browse and compare options in **the K12 Academics directory**.

BY THE NUMBERS

Direct enrollment	Exchange	Provider / faculty-led
most immersive	pay home tuition	most guided

HOW TO HELP

Match the **program to your goals** — direct enrollment for immersion, exchange for value, a provider for support, or a faculty-led program for a short taste — then find options in the K12 Academics directory.

GOOD TO KNOW

Find and compare **specific programs, providers, and host universities** in the K12 Academics directory — this guide stays program-neutral.

3

STEP 03 OF 10

Understand Credit Transfer & Academics

WHAT TO KNOW

Credits use the **ECTS system** (30 ECTS ≈ a full semester). Before you go, **get your courses pre-approved by your home study-abroad and academic advisors** so credits transfer cleanly toward your degree. You—ll receive a **transcript** to bring home — keep syllabi and coursework in case of later evaluation.

BY THE NUMBERS

ECTS	Pre-approve	Transcript
30 ECTS	courses before you go	keep syllabi

HOW TO HELP

Protect your credits — get courses **pre-approved by your home office**, understand ECTS and local grading, and keep syllabi for transfer.

GOOD TO KNOW

Pre-approve your courses with your home study-abroad and academic advisors before departure — it—s the key to clean credit transfer.

4

STEP 04 OF 10

Know the Costs & Funding

WHAT TO KNOW

Costs vary by route: **exchange** students usually pay **home tuition**; **provider programs** charge a program fee (bundling tuition, housing, and support); **direct enrollment** means affordable public tuition (or fees for non-EU), plus your living costs. Iceland—s cost of living is **very high**. Look into **scholarships** (the Gilman (US students), Erasmus+ (Europeans), and provider aid), and check whether your **financial aid travels** with you.

BY THE NUMBERS

Exchange	Provider	Scholarships
pay home tuition	one bundled fee	Gilman, Erasmus+, scholarships

HOW TO HELP

Budget by route — exchange (home tuition), provider (one bundled fee), or direct enrollment; Iceland costs are very high. Pursue scholarships and check aid portability.

GOOD TO KNOW

Check whether your **home financial aid can be applied** to study abroad — many students fund part of the cost this way.

5

STEP 05 OF 10

Understand the Student Visa & Entry

WHAT TO KNOW

Iceland is in the **EEA and Schengen but not the EU**. EEA students need no visa; other students staying **over 90 days** need a **student residence permit** (with proof of funds and insurance). You—ll typically show **proof of acceptance, sufficient funds, housing, and health insurance**. Shorter programs often need only standard Schengen entry. Start early — the process takes time. Confirm current rules with the relevant consulate.

BY THE NUMBERS

EEA	Others	Schengen
no visa needed	student residence permit	but not EU

HOW TO HELP

Know your entry — EEA students need no visa; others need a **student residence permit**; shorter programs often use standard Schengen entry; start early.

GOOD TO KNOW

Iceland is **in the EEA and Schengen but not the EU** — check requirements by nationality.

6

STEP 06 OF 10

Plan Health, Safety & Insurance

WHAT TO KNOW

Arrange **health insurance** that covers you in Iceland (some programs include it). Iceland is **very safe**. Know your **program—s support and emergency contacts**, register with your **home country—s embassy** if advised, and keep copies of key documents.

BY THE NUMBERS

Health insurance	Safety	Know
required (some included)	very safe	program support

HOW TO HELP

Cover the essentials — health insurance (some programs include it), sensible precautions, and your program—s support and emergency contacts.

GOOD TO KNOW

Know your **program—s in-country support and emergency contacts** before you go — a good provider makes this easy.

7 STEP 07 OF 10

Prepare Language & Culture

WHAT TO KNOW

The main language is **Icelandic**, and **a number of programs are taught in English**. Some Icelandic helps daily life, though English is very widely spoken. Housing options include **university residences, homestays (great for language), and shared apartments**. Embrace the cultural differences — they—re the point.

BY THE NUMBERS

Language	Housing	Immersion
English-friendly (Icelandic official)	residence, homestay, apartment	the point

HOW TO HELP

Prepare to immerse — some programs are in English (some Icelandic helps), choose housing that fits your goals (a homestay boosts language), and embrace the culture.

GOOD TO KNOW

A **homestay** is a fast route to immersion — a homestay is the fastest route to language immersion.

8

STEP 08 OF 10

Plan the Timeline & Apply

WHAT TO KNOW

Apply **well ahead** — typically **a semester or two before** you go. The usual order: **meet your home study-abroad office**, choose and apply to a **program**, secure **course pre-approval**, then arrange your **visa, housing, and insurance**. Iceland offers **fall, spring, summer, and full-year** options. Deadlines and visa processing drive the schedule.

BY THE NUMBERS

Apply	Order	Intakes
a semester+ ahead	home office → program → visa	fall, spring, summer, year

HOW TO HELP

Plan the sequence — start with your home study-abroad office, apply to a program, pre-approve courses, then handle visa, housing, and insurance; apply a semester or two ahead.

GOOD TO KNOW

Start with your **home study-abroad office** — they guide approvals, credit, aid, and often have partner programs ready.

9

STEP 09 OF 10

Make the Most of It

WHAT TO KNOW

Once in Iceland, **engage fully**: explore volcanoes, glaciers, and the northern lights, and join university life. Keep an eye on **credit and attendance requirements**, document your experience, and use your program—s support. A semester abroad is as much about growth as academics.

BY THE NUMBERS

Engage	Travel	Track
explore the landscapes	Iceland	credit & attendance

HOW TO HELP

Thrive abroad — explore volcanoes and the northern lights, and join university life, and stay on top of credit and attendance while making the experience your own.

GOOD TO KNOW

Build friendships **beyond fellow exchange students** — local connections deepen both language and experience.

10 STEP 10 OF 10

Find Your Program & Get Started

WHAT TO KNOW

Once you know your route, **find and compare specific study-abroad programs, providers, and host universities in the K12 Academics directory**. Work with your home study-abroad office, pre-approve credits, apply, and arrange your visa. Confirm current rules with the host university and the Icelandic authorities and the relevant consulate.

BY THE NUMBERS

Find & compare	Work with	Arrange
programs & providers	your home office	credits & visa

HOW TO HELP

Use **the K12 Academics directory** to find and compare study-abroad programs, providers, and host universities, work with your home office, pre-approve credits, apply, and arrange your visa.

WATCH OUT

Browse **the K12 Academics directory** to find the specific programs and providers that fit your goals and field of study.

QUICK REFERENCE

Study Abroad in Iceland: The Essentials

A snapshot — program-neutral. Confirm details with your home office, the host institution, and the consulate.

The destination

A small but spectacular Nordic study-abroad destination — dramatic volcanic landscapes, respected universities, and English-friendly programs — with bases in Reykjavik and Akureyri.

Program types

Direct enrollment (most immersive), exchange (pay home tuition), provider programs (bundled courses and support), and faculty-led short programs — find and compare in the directory.

Credit & academics

Credits use ECTS (30 ECTS ≈ a full semester); get courses pre-approved by your home study-abroad and academic advisors so they transfer cleanly; you receive a transcript — keep syllabi.

Costs & funding

Exchange (home tuition), provider (one bundled fee), or direct enrollment; costs are very high; pursue scholarships (Gilman, Erasmus+, scholarships) and check whether home aid travels with you.

Visa & move

In the EEA and Schengen but not the EU: EEA students need no visa; others need a student residence permit; shorter programs use Schengen entry; budget for very high living costs.
