ENGLISH-TAUGHT EXCELLENCE IN THE NORDICS

Sweden is a leading Nordic study-abroad destination — many English-taught programs, innovative universities, and a superb quality of life (free for EU/EEA; fees for others). This guide is for students planning a **semester or year abroad**: it covers **program types, credit transfer, costs, and the student visa**, and points you to the K12 Academics directory to find and compare programs.

General guidance, not legal, immigration, academic, or financial advice. Swedish rules, fees, and program details change and vary by institution. The details here are recent examples and **must be confirmed with your home study-abroad office, the host institution or provider, and the relevant consulate**. K12 Academics does not run or endorse any specific program — use the K12 Academics directory to find and compare your options.

STEP 01 OF 10

Understand Why Students Choose Sweden

WHAT TO KNOW

Sweden offers **many English-taught programs, innovative universities, a focus on sustainability and design, and a superb quality of life** — one of the most rewarding places to spend a semester or year abroad.

BY THE NUMBERS

Many	Innovative	Superb
English-taught	universities	quality of life

HOW TO HELP

Weigh Sweden—s **English-taught quality and quality of life** against a high cost of living (and fees for non-EU/EEA students) — for innovative, English-taught study in a superb setting, it—s a strong choice.

WATCH OUT

Sweden offers **many English-taught programs** and a superb quality of life — tuition-free for EU/EEA students.

2

STEP 02 OF 10

Understand the Types of Study Abroad Programs

WHAT TO KNOW

Your main options: **direct enrollment** (you enroll at a local university — the most immersive), **exchange** (through your home university—s partnership — you pay home tuition), **third-party provider programs** (which bundle courses, housing, and support — the most guided), and **faculty-led short programs** (a few weeks with your own professors). Browse and compare options in **the K12 Academics directory**.

BY THE NUMBERS

Direct enrollment	Exchange	Provider / faculty-led
most immersive	pay home tuition	most guided

HOW TO HELP

Match the **program to your goals** — direct enrollment for immersion, exchange for value, a provider for support, or a faculty-led program for a short taste — then find options in the K12 Academics directory.

GOOD TO KNOW

Find and compare **specific programs, providers, and host universities** in the K12 Academics directory — this guide stays program-neutral.

3

STEP 03 OF 10

Understand Credit Transfer & Academics

WHAT TO KNOW

Credits use the **ECTS system** (30 ECTS ≈ a full semester). Before you go, **get your courses pre-approved by your home study-abroad and academic advisors** so credits transfer cleanly toward your degree. You—ll receive a **transcript** to bring home — keep syllabi and coursework in case of later evaluation.

BY THE NUMBERS

ECTS	Pre-approve	Transcript
30 ECTS	courses before you go	keep syllabi

HOW TO HELP

Protect your credits — get courses **pre-approved by your home office**, understand ECTS and local grading, and keep syllabi for transfer.

GOOD TO KNOW

Pre-approve your courses with your home study-abroad and academic advisors before departure — it—s the key to clean credit transfer.

4

STEP 04 OF 10

Know the Costs & Funding

WHAT TO KNOW

Costs vary by route: **exchange** students usually pay **home tuition**; **provider programs** charge a program fee (bundling tuition, housing, and support); **direct enrollment** means free tuition for EU/EEA students (fees for others), though Sweden's living costs are high. Sweden—s cost of living is **high**. Look into **scholarships** (the Gilman (US students), Erasmus+ (Europeans), and provider aid), and check whether your **financial aid travels** with you.

BY THE NUMBERS

Exchange	Provider	Scholarships
pay home tuition	one bundled fee	Gilman, Erasmus+, scholarships

HOW TO HELP

Budget by route — exchange (home tuition), provider (one bundled fee), or direct enrollment; Sweden costs are high. Pursue scholarships and check aid portability.

GOOD TO KNOW

Check whether your **home financial aid can be applied** to study abroad — many students fund part of the cost this way.

5

STEP 05 OF 10

Understand the Student Visa & Entry

WHAT TO KNOW

EU/EEA students don't need a visa. Non-EU/EEA students staying **over 90 days** need a **residence permit for studies** (with proof of funds and insurance). Tuition is **free for EU/EEA students but charged for others**. You—ll typically show **proof of acceptance, sufficient funds, housing, and health insurance**. Shorter programs often need only standard Schengen entry. Start early — the process takes time. Confirm current rules with the relevant consulate.

BY THE NUMBERS

EU/EEA	Non-EU/EEA	Tuition
no visa needed	residence permit	free EU/EEA; fees others

HOW TO HELP

Know your entry — EU/EEA students need no visa; non-EU/EEA students need a **residence permit for studies**; shorter programs often use standard Schengen entry; start early.

GOOD TO KNOW

Tuition is **free for EU/EEA students but charged for others** — non-EU/EEA students should budget for fees and check scholarships.

6

STEP 06 OF 10

Plan Health, Safety & Insurance

WHAT TO KNOW

Arrange **health insurance** that covers you in Sweden (some programs include it). Sweden is **very safe**. Know your **program—s support and emergency contacts**, register with your **home country—s embassy** if advised, and keep copies of key documents.

BY THE NUMBERS

Health insurance	Safety	Know
required (some included)	very safe	program support

HOW TO HELP

Cover the essentials — health insurance (some programs include it), sensible precautions, and your program—s support and emergency contacts.

GOOD TO KNOW

Know your **program—s in-country support and emergency contacts** before you go — a good provider makes this easy.

7 STEP 07 OF 10

Prepare Language & Culture

WHAT TO KNOW

The main language is **Swedish**, and **a large share of programs are taught in English**. Learning some Swedish helps daily life, though English is very widely spoken. Housing options include **university residences, homestays (great for language), and shared apartments**. Embrace the cultural differences — they—re the point.

BY THE NUMBERS

Language	Housing	Immersion
English-taught (widely spoken)	residence, homestay, apartment	the point

HOW TO HELP

Prepare to immerse — many programs are in English (some Swedish helps; English is widespread), choose housing that fits your goals (a homestay boosts language), and embrace the culture.

GOOD TO KNOW

A **homestay** is a fast route to immersion — a homestay is the fastest route to language immersion.

8

STEP 08 OF 10

Plan the Timeline & Apply

WHAT TO KNOW

Apply **well ahead** — typically **a semester or two before** you go. The usual order: **meet your home study-abroad office**, choose and apply to a **program**, secure **course pre-approval**, then arrange your **visa, housing, and insurance**. Sweden offers **fall, spring, summer, and full-year** options. Deadlines and visa processing drive the schedule.

BY THE NUMBERS

Apply	Order	Intakes
a semester+ ahead	home office → program → visa	fall, spring, summer, year

HOW TO HELP

Plan the sequence — start with your home study-abroad office, apply to a program, pre-approve courses, then handle visa, housing, and insurance; apply a semester or two ahead.

GOOD TO KNOW

Start with your **home study-abroad office** — they guide approvals, credit, aid, and often have partner programs ready.

9 STEP 09 OF 10

Make the Most of It

WHAT TO KNOW

Once in Sweden, **engage fully**: enjoy Swedish student life and fika, travel Scandinavia and Europe, join student nations, and pick up some Swedish. Keep an eye on **credit and attendance requirements**, document your experience, and use your program—s support. A semester abroad is as much about growth as academics.

BY THE NUMBERS

Engage	Travel	Track
join student life	Scandinavia	credit & attendance

HOW TO HELP

Thrive abroad — enjoy student life, travel Scandinavia, and join student nations, and stay on top of credit and attendance while making the experience your own.

GOOD TO KNOW

Build friendships **beyond fellow exchange students** — local connections deepen both language and experience.

10 STEP 10 OF 10
